

With huge portable murals of collaboratively produced illustrations, a six foot tall fabric picture book, and an engaging narrative...

farmer bee accepts a bank loan and then parcel to leave communal land holdings

the
BEEHIVE
DESIGN
COLLECTIVE
presents

...the Bees will take you on an interactive visual tour of the connections between COLONIZATION, MILITARISM, and RESOURCE EXTRACTION in the Americas.

the land is sold, and farmer bee relocates to the city

crops don't weigh up against North America's subsidized ones

farmer bee cannot pay the loan

DISMANTLING MONOCULTURE

TALES OF ANTS & ECONOMICS IN THE AMERICAS

Appearing at:

a picture lecture to be understood by anyone!
(not just the experts and analysts)
